**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The charity was founded with the sole objective of raising funds for research into Inflammatory Bowel Disease in the UK. The target is a minimum of £50,000 per annum and initial projects identified would require funding of around £250,000 over 3 to 5 years.

After 3 years of funding, the first research project has been completed successfully. A patient centric research project requiring £500,000 of funding initially over 3 years has now been identified and a proposal developed. In a current challenging economic climate the Trustees hope to broaden the scope of our donor base and co-operate with other appropriate bodies in order to meet these objectives and fund other similar opportunities for patient centric research.

**FINANCIAL REVIEW**

**Reserves policy**

Reserves are held only until suitable research projects can be identified and the trustees are satisfied that the identified research projects can be funded fully by the charity and its supporters and collaborators

The Trustees are satisfied that the commitments to the research projects it is supporting can be fully funded by the charity. The Trustees are of the opinion that the funds held will largely or fully committed within the incoming year assuming that the project proceeds on the anticipated schedule.

**FUTURE DEVELOPMENTS**

The aims are to cement relations and secure ongoing commitment from existing supporters, to broaden the base, to support spread the message and to form other groups throughout the country to raise sufficient funds to sustain appropriate research projects across the British Isles.

**Independent Examiner's Report to the Trustees of  
Cure Crohn's Colitis**

---

I report on the accounts for the year ended 30 April 2013 set out on pages four to eight.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

**Basis of the independent examiner's report**

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
